

SALE PISTOL CLUB NEWS LETTER 22/04/2010

Good Morning All,

I have been in contact with IPSC Vic. and we have negotiated with them to run a State Selection match on the 27th and 28th of November, 2010. As you are all aware there is a lot of work associated with running these matches and we need everyone to put in a little bit of effort to make the match run well.

The most important part of preparation for this match is getting the Match Package up and approved. We need to have the Match Package to IPSC by no later than the start of August so that we can have it approved at Level 3, which will attract more competitors, particularly those vying for spots in State and National teams.

SO WHAT DO WE NEED NOW?

Your thoughts and ideas! Please have a think about some of the great IPSC matches that you've been involved in the past and then put pen to paper with any ideas you have about stage design. Anything from a simple 12 shot speed shoot and upwards will be of assistance. Once you've put pen to paper, please forward/hand your thoughts to any of the committee members.

Regards
